---

I am a detail-oriented and innovative professional leader with extensive experience in media, creative development, and production management. Skilled in coordinating multiple aspects of projects, from pre-production to post-production while employing gut instincts and intuition. An extremely visual, creative producer with a deep understanding of technical and artistic aspects of film, television, advertising, and numerous media formats. Well-versed in overseeing project concepts and ideas, managing budgets and schedules, hiring and directing creative teams, and ensuring the final product meets the highest quality standards and project goals. God is in the details.

## Technical Proficiencies & Skills

**Media:** National TV & Radio Commercials, Branded Content, Short & Feature Films, Print Production/Photography Audiobooks, Documentaries, Digital & Social Media, Corporate Video & Film, Live Events, Web Design

**Software:** Adobe Creative Suite: Photoshop, InDesign, Illustrator, Lightroom, WordPress, MS Office, Google Docs, Google Meet, Zoom, Slack, FileMaker, Movie Magic Budgeting, Movie Magic Scheduling, Final Draft

**Expertise:** Project Management, Content Development, Photography, Script Creation, Editing, Graphic Design

## Accomplishments

- Creatively managed projects with ~\$2M budgets and appropriated legal signatures for SAG, bids, and contracts.
- Visualized the best solutions to bring projects to life by researching and creating relationships with top production partners under budget and scheduling constraints. Anticipates problems with a positive, upbeat personality to motivate any team.
- Produced a small-budget TV commercial campaign for Nike because of relationships with A+ vendors, with a minuscule budget that won every award in the industry, including Clio Hall of Fame, Grand Prix Lion, One Show, and SF Show.
- Served as Associate Producer, Line Producer, Post Producer, Production Manager, Location Scout, and Still Photographer throughout the 3-week-long production of an indie feature film during the dead of winter in Denver, CO.

## Career Experience

### Freelance Senior Producer

2013 - Present

*BBH-NY, Known, IMM, Citizen Pictures, Pilgrim Advertising, Pixeltry, Riposte, Smith Design Office, Vladimir Jones* \ Denver, CO

Served various key clients, such as Audible, LinkedIn, Chili's, Amazon, Connect for Health CO, Justin's, Level 3 Communications, and Xcel Energy. Develop TV commercials, branded content, documentaries, and corporate videos for advertising agencies and film production companies.

- Led all facets of film production of a 20-minute short film titled "Sparkle" from creating scripts to casting top performance talent. Hired a 25-person crew that determined it as the "best shoot ever". Accepted into three major film festivals so far, following submissions to all 2023 film festivals. (Probability of being selected for more festivals.)
- Developed 40 individual videos of animation, motion graphics, archival footage, and documentary interviews while managing artists from numerous global regions, from New Mexico and New York to Barcelona and Buenos Aires, in celebration of Chili's 40th anniversary for a 1-hour documentary. Acted as agency Producer in replacement of original Producer during mid-stream; met and exceeded clients' expectations by delivering exceptional results.
- Produced a 3:00 short film trailer, oversaw production process, hired cast and crew, coordinated rehearsals, make-up, hair and stylist pre-pro sessions. Determined and secured locations, wrote contracts, deal memos and post-produced with editor and author through completion.

- Produced a 12-hour audiobook through close coordination with a novelist; nationally cast over a dozen VO character actors to narrate and record 500+ pages. Broke down the book into chapters and utilized SFX, original, and stock music to complete the audiobook through collaboration with the author and audio mixer. "Escapement" is a top-selling audiobook on Amazon.
